NEWSLETTER

Welcome to my last December Newsletter! Alright, stop with the cheering.

BREAKING NEWS! All of the Davanni's restaurants were booked with holiday and birthday parties for our December meeting date. Therefore, we decided to bring it in-house. We will be meeting at our normal Edina Library location and will have Davanni's cater the event right at the library! The food will arrive at noon. So, I repeat: DO NOT GO TO DAVANNI'S, PLEASE GO TO THE EDINA LIBRARY MEETING ROOM FOR OUR HOLIDAY LUNCH AT 12:00 NOON. Thanks to Clint Williams and Jim Allen for scrambling to get this done.

The big topic was the elections of the club officers for next year. There were two candidates up for president (Scott Harvieux and Andy Martin), and four candidates for vice-president (Toby Halliday, Mark Rollie, Bill Read, and Steve Kitowski). It was great to see this kind of enthusiasm for the officer roles. In the end, here are your club officers for 2012:

- President – Scott Harvieux
- Vice-President – Toby Halliday
- Sergeant at Arms – Jim Allen
- Treasurer – Bill Halvorson

The November meeting was a fantastic turnout for the club contest. We had a whopping 63 model cars on the table. Congratulations to all the winners:

- Open Wheel – Clint Williams
- Closed Wheel – Torben Rothgeb
- Straight Line – Andy Martin
- Out-of-the-Box – Bob Maderich II
- Non-Competition – Bob Halliday
- Motorcycle – Jim Mulligan
- Club Challenge – Jim Kampmann

Next year's club challenge will be "That 70's Car", which is any automobile from 1970 to 1979. Rumor has it that Bob M. already has two done for the challenge!

December's meeting will be our annual RPM Gift Exchange/White Elephant. For any of you who have not participated in this even before, please bring a complete, unbuilt model generically wrapped in whatever paper you wish, and placed on the table with all the others. We will draw numbers. Starting with number one, whoever has that number may draw a new gift from the table or steal from someone who has already opened one. Those who bring their built white elephant model from last year will draw last, ensuring the best picks.

As I look back on my tenure as president, it's had its ups and downs, but it has been a great run. I consider it an honor to serve as your exalted leader for the last nearly five years. Even though I am no longer going to run the meetings, you can bet I won't sit quietly. I'm still going to be asking the question "why aren't you building something?" And with that, I pass the torch.

Thanks,
Don
